## PROFILE OF DR. C.P. THAKUR

---

1. **Name** : **Dr. C. P. Thakur**  
(**Dr. CHANDRESHWAR PRASAD THAKUR**)
  
2. **Permanent Address** : **Balaji Utthan Sansthan,**  
**Kala-azar Research Centre**  
**"UMA COMPLEX"**  
**Fraser Road, Patna – 800 001,**  
**Bihar, India.**  
Tel: 91-612 – 2231205 (O)/ 2221797 (R)  
Fax: 91-612-2239423  
Email : - info@bus.org.in  
          cpthakur1@rediffmail.com  
          thakurcp@gmail.com  
Website: - www.bus.org.in
  
3. **Delhi Address** : Flat No. – 401  
Brahmputar, Dr. B. D. Marg,  
New Delhi – 110 001
  
4. **Political** : Member of Parliament Rajya Sabha.  
  
Former Union Health Minister  
Govt. of India

### FELLOWSHIP :

- Fellow of Royal College of Physicians (FRCP), Edinburgh, U.K. 1977
- Fellow of Royal College of Physicians (FRCP), London, U.K. 1978
- Fellow of Indian College of Medical Specialists, Indian Medical Association, 1985
- Founder Fellow Association of Physicians of India, 1988.

### **BETWEEN 1957-1981**

- Worked as Assistant Professor of Medicine, Associate Professor and Professor of Medicine, Patna Medical College. Presently, Emeritus Professor of Medicine, Patna Medical College, Patna.

***Visits of foreign counties: U.S.A., U.K., Russia, China, Brazil, Nepal, Sri Lanka, France, Germany, Switzerland.***

### ***Foreign visit***

#### **Meeting at USA: -**

1. Attended 53<sup>rd</sup> Annual meeting of the American Society of Tropical Medicine & Hygiene (ASTMH) held at Miami, Florida, USA from 7<sup>th</sup> – 11<sup>th</sup> Nov., 2004 and received "**Outstanding Clinical Investigator Award** for advancement of Paromomycin as Clinical trial in VL cases in Bihar" by the Institute for One World Health (iOWH), San Francisco, USA  
Attended Principal Investigators meeting of Paromomycin phase IV drug trial, organized by iOWH, San Francisco, USA in Atlanta from 12-15 Nov. 2006.
2. Dr. C. P. Thakur, honorable Chairman, of the Institution participated in the conference of 55<sup>th</sup> American Society of Tropical Medicine and Hygiene, held at Atlanta, USA and gave a talk on treatment of kala-azar. (12-16 November 2007).
3. Dr. C. P. Thakur, honorable Chairman, of the Institution participated in the conference of 56<sup>th</sup> American Society of Tropical Medicine and Hygienic, held at Philadelphia USA and gave a talk on treatment of kala-azar and Co-Chaired a Session on Treatment of Leishmaniasis. (04-08 November 2007).
4. He also participated in Principal Investigators meeting of Miltefosine, there which was held under the auspices of World Health Organization, Geneva and reviewed the progress of research work done on miltefosine in India, Bangladesh and Nepal on treatment of PKDL, 7<sup>th</sup> Nov. 2007 at Philadelphia, USA.
5. **Meeting at Kathmandu:** - A WHO sponsored inciting was held at Kathmandu on 30<sup>th</sup> October to 02<sup>nd</sup> November 2006. Second Regional Technical Advisory Group (RTAG) meeting on Elimination of kala-azar. The chairman attended this meeting of a member.

6. A South East Asia WHO sponsored a meeting at Kathmandu in July 2007 to review the situation of kala-azar in Bihar, Bangladesh and Nepal and a plan was formulated to eliminate kala-azar from this region. Members from Bangladesh, India, Nepal, WHO Geneva WHO Delhi, England and United State attended this meeting. Chairman attended this meeting as a member.
7. **Meeting at Bangladesh:** - First meeting of the WHO/SE of the Regional Technical Advisory group on kala-azar was held on 20-23 December 2004. Heritage Hotel Maneser, Hargoan. This discussed the steps which will be taken in implementation of elimination of kala-azar from India, Nepal and Bangladesh.

#### **MEMBERSHIP OF DIFFERENT SCIENTIFIC ORGANISATIONS**

- Member of Association of Physicians of India, 1957
- Indian Medical Association, 1960
- Cardiological Society of India, 1960
- Indian Institute of Public Administration, New Delhi, 1985.

Has served as member on the Governing bodies of different organizations, chaired scientific sessions and organized various seminars and conferences.

#### **RESEARCH WORK ON KALA-AZAR**

- His suggestions have been accepted by WHO and other international organizations and have been incorporated in text book of medicine.

#### **A BRIEF SUMMARY OF SOME RESEARCH AND PUBLICATIONS**

He has revolutionized the concept of the treatment of kala-azar and post kala-azar dermal leishmaniasis. Research on full moon and poisoning published in BMJ and other journals has attracted the attention of Scientists all over the world and has been abstracted in almost all the national daily newspapers, periodicals including Science Reporter. Published more than 100 research papers in national and prestigious International Journals (List attached).

Research paper on the Epidemic Dropsy included in the “Text Book of Park’s Preventive and Social Medicine and in the “Recent Advances of Medicine” edited by MSM Ahuja, AIIMS, New Delhi.

Research work on Heart Diseases reviewed by late Prof. J.C. Banerjee of Calcutta in the chapter on heart disease in India during the last 25 years during Silver Jubilee Session of “Association of Physician of India”, the only such paper from Bihar. Research works in neurology was reviewed in Neurology in India during last 25 years, the only paper from Bihar, reviewed in Journal of Association of Physicians of India, 1975. Silver Jubilee number.

P. Olliaro and ADM Brycession in Parasitology To-day, 1993;9:323-328 remarked “Longer courses will clearly be needed and physicians should follow Thakur’s example of treatment of VL (Visceral Leishmaniasis or kala-azar) in India”

## ***NATIONAL AWARDS***

- **Padmashree- 1982**
- **Dr. B. C. Roy's National Award by Medical Council of India (Outstanding Teacher) 1983**
- **Doctor of Science (Honoris Causa), Manipur University 2003.**
- **Prof B K Aiket Oration Award, Indian Council of Medical Research (Kala-azar Research), 1984**
- **Dr. P. N. Raju Oration Award, Indian Council of Medical Research (Kala-azar Research), 1990**
- **Prof. S. C. Seal Award, Voluntary Health Association India for outstanding Public Health Work, 2001**
- **Honorary fellow of the National Academy of Medical Sciences (India), 2001**
- **Honorary Fellow, Indian Association of Epidemiologist 2001.**
- **B. C. Roy Major National Award for the Year 2002.**
- **Ranbaxy Science Foundation Medical Science Award (Clinical Research) 2002.**
- **Life Time Achievement Award, HIV Congress-2008, Mumbai.**

## **RESEARCH ASSOCIATION AND INVITATION WORLD HEALTH ORGANIZATION, GENEVA**

- Invited to write first recommendation on the treatment of kala-azar, 1982 in: Informal meeting on the Chemotherapy of visceral leishmaniasis WHO, Geneva TDR Chem Leish VL 823.
- Member Scientific Working Group, WHO Geneva, 1983
- Member Steering Committee on VL, WHO, Geneva, 1983-85
- Member Experts Committee on kala azar (VL), 1988-1992, 1992-1994, 1994-1998, 1998-2002, 2002 to 2006, 2006-10
- Invited for writing a book on "Control of the leishmaniasis 1990" Technical Report Series 793, WHO, Geneva
- Principal Investigator of WHO for trial of new drugs for treatment of kala-azar, 1998-2000, 2002 & 2004.
- Guest Editor, Indian Journal of Medical Research on special issues on "Leishmaniasis" 2004.

## **GOVERNMENT OF INDIA**

- Chairman, kala-azar- Spot Assessment Committee 1990-91
- Expert kala-azar committee to formulate prevention programme for kala-azar, 1991.
- Invited as a guest speaker by Department of Biotechnology, Government of India to give a guest lecture in 2<sup>nd</sup> global meet on parasitic diseases in Hyderabad- Dr. Ross's Centenary Celebration, 1997.

## **GOVERNMENT OF BIHAR**

- Member, Advisory Committee on kala-azar, 1990-93

## **INDIAN COUNCIL OF MEDICAL RESEARCH**

- Indo UK workshop on kala-azar, 1982-93
- Member of the Indo-USA team to Washington for Vaccine Development Programme, 1992
- Chairman- UNDP sponsored core group discussion on kala-azar, 1993
- Member, Scientific Advisory Committee, Rajendra Memorial Research Institute, 1994
- Chairman, Scientific Advisory Committee, Rajendra Memorial Research Institute, 2001-2006.

## **ACADEMIC**

- Stood first in M.B.B.S. from Patna Medical College (1952- 57) with Honours, Gold Medals, College and University Scholarships
- Topped the list of MBBS candidates from Patna University in 1957
- Highest marks in Medicine, MBBS, 1957
- Sifton Gold Medal for highest marks in Medicine, MBBS, 1957
- Highest marks and Honours in Surgery, MBBS, 1957
- Stephenson Gold Medal awards for highest marks and Honours in Surgery in 1957
- Highest marks in Pathology, MBBS, 1955
- Wheeler Gold Medal awards for highest marks in final M.B.B.S. in 1957
- Topped the list of final MBBS and Part I taken together in 1957

- PC Talent Prize for standing first in final and M.B.B.S.-II in 1957
- M.D. (Doctor of Medicine), Patna University- 1960
- M.R.C.P. (Member of Royal College of Physicians) Edinburgh, 1962
- M.R.C.P. (Member of Royal College of Physicians) London, 1963

## **SOCIAL WORK**

- Medical Education to the layman by writing on common Medical Problems in lay Press, radio and television
- Numerous Talk on Radio, Television and more than 200 articles at frequent intervals on topics of general interest and from the view point of health
- Free Medical Camps organized in areas of Harijans. Adivasis and weaker sections of the society

## **Academic :**

- Presided over seminars and written prolifically on common socio- economic problems
- Current interest- social developments and upliftments of Harijans.

## **AUTHOR, EDITOR, CO-AUTHOR OF BOOKS**

- Recommendations on the treatment of kala-azar 1982 Geneva- one of the authors, Chemotherapy of visceral leishmaniasis WHO, Geneva, Chem- Leish 82.3
- Control of the Leishmaniasis 1990 WHO, Geneva Technical Report Series 793 one of the authors
- Current Trends in Leishmania Research, 1993, Council of Scientific and Industrial Research, 1993, Council of Scientific and Industrial Research, New Delhi Ed. Bhaduri AN et. al.
- Kala-azar, Past, present and future Editor, Dr. K. K. Mallick, Tropical Institute, Calcutta
- Dynamics of Development, 1975 as editor and one of the authors
- Development of Bihar by 2015; 1996, Balaji Utthan Sansthan as Editor and one of the authors
- A glimpse of Indian Technology, Foreword written by Ex-President of India Sr. R. Venkatraman, released by Late Prime Minister Shri Rajiv Gandhi
- World Trade Organization, author
- India under Atal Bihari Vajpayee BJP Era 1999, USV Publishers Delhi
- Contributed Chapter on Leishmaniasis in API Text Book of Medicine since 1988 till 2006.
- Leishmaniasis in Conn's current chemotherapy, 1993.

## **CURRENT RESEARCHES-COLLABORATIVE AND OTHERWISE**

- With World Health Organisation, Geneva – evaluation of an anti- cancer drug- Miltefosine in kala-azar
- With Nexstar – Pharmaceutical USA- Evaluation of Ambisome (Amphotericin B lipid Complex) in resistant cases of kala-azar
- With Professor J P Dedet- University of Montpillers, France- Typing of Leishmania Parasites
- With Balaji Utthan Sansthan, Patna
  - (a) Newer drugs on kala-azar
  - (b) Effect of Indian Medicinal Plants on kala-azar.

## CURRENT RESEARCH OF BALAJI UTTHAN SANSTHAN

Under the Chairmanship of Padmashree Dr. C. P. Thakur

1	Phase-IV of iOWH.
2.	Paromomycin Trail.
3.	Bio- technology (DBT) "In vitro and in vivo testing of plant leads for development of herbal drug for kala-azar".
4.	WHO "Economic Survey Aimed at Individuals with Visceral leishmaniasis for Implementation strategies for Visceral leishmaniasis".
5.	PKDL study WHO.
6.	Comparison of Amphotericin B alone and with blood and electrolyte supplementation on toxicity of the Balaji Utthan Sansthan.
7.	Conducting and supervision a seminar out emulator's kala-azar in ASTMH 56 <sup>th</sup> Annual meeting, Philadelphia Marriott Downtown Philadelphia, Pennsylvania USA.
8.	"A prospective, multicentric, randomized, two arm, open level phase III study to assess efficacy and safety of infusion of Amphomul <sup>®</sup> (Amphotericin B Emulsion) as compared to Ambisome in patients of visceral leishmaniasis" SIRO.
